November 2017 – March 2018

## A NEW CHALLENGE

The ClubSwan 50 Winter Series is a brand new race series hosted by the Valencian branch of SPBYC, who are responsible for running the on-water and shore operations. Beginning on Saturday, 9th December 2017, SPBYC will run eight stand-alone regattas over a 4 month period. Each regatta will take place over a single weekend per month, concluding on March 2018.

An aerial photograph of Valencia, Spain, showing the harbor filled with sailboats and motorboats during the America's Cup regatta. The city's dense urban landscape is visible in the background, featuring a prominent white archway (the Valencia Arch) and various buildings. The water is a vibrant blue-green, and the harbor is lined with spectators and event infrastructure.
