The Nation is defined by the Nationality of the Owner's passport.

THE MONACO SWAN ONE DESIGN NATIONS TROPHY WILL BE AWARDED TO THE BEST-PLACED NATION, ACCORDING TO THE BELOW-MENTIONED CRITERIA.

Monaco Swan One Design Nations Trophy will be awarded to the best-placed Nation. A Nation's position will be based upon the combined results of each Nation's two top performing boats across the three classes according to the following guidelines:

- The points score for the purposes of determining the winner of the Monaco Swan One Design Nations Trophy will be calculated as a consequence of each boat's final position within their class, using the following example formula: in a fleet of 5 yachts, 1st will receive 5 points, 2nd will receive 4 points, 3rd will receive 3 points, 4th will receive 2 points, and 5th will receive 1 point.

- The Monaco Swan One Design Nations Trophy will be awarded to the Nation that has the highest combined points overall, based upon each Nation's two highest scoring boats across the three classes.

- The two boats with highest points may be in the same or different classes.

- In case of a tie RRS A8 will apply, modified as follows:

if there is a position score tie between two or more Nations, the race scores of the boats with highest points from each Nation shall be listed in order of best to worst, and at the first point where there is a difference, the tie shall be broken in favour of the Nation whose boat has the best score.

- If a tie remains, the two boats with highest rankings from the tied Nations shall be ranked in order of the scores in the last race. Any remaining ties shall be broken by using the next-to-last race and so on until all ties are broken.
