Clarification on Swan 45 Class Rules

C.11.2 – Sail Limitations

The sails carried on board shall be as declared on the event sail declaration and during an event run on consecutive days, including any lay days, the sails on board shall remain the same and be on board for all races.

The above rule does not prevent sails from being removed from the boat for packing & boat cleaning. There is no restriction on keeping the sails off the boat overnight but it is the teams responsibility to make sure that the same sails are on board each day for racing.
