## FINNISH FINERY

With three different interior design moods named Swan Soul, Scandi Vision and Velvet Vibe, the Swan 58 leaves no doubt that it's as pretty as it is practical. The coachroof style is just one of several designs never seen on a Swan of this size. In fact, Nautor's Swan has never had a 58 in its history. [www.swan.com](http://www.swan.com)

- 📏 LENGTH: 58 ft, 9 in.
