

# CLUBSWAN 42

Notice #01/2022

## ClubSwan42 Mainsail Logo

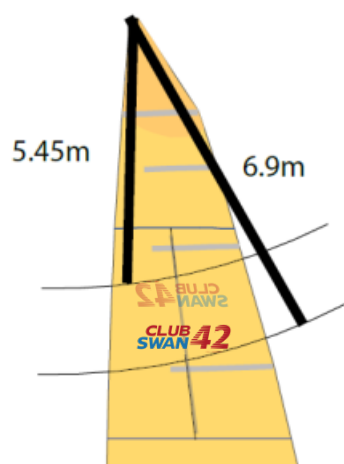

The ClubSwan 42 Logo has been updated as shown below. The new logo will be updated in the Class Rules for 2023 and it is expected that all new mainsails for 2023 will use this logo.

(Existing mainsails that already have been issued with a CS42 Sail Card may continue to use the old logo)

The logo size & location remains as detailed in Appendix I of the Class Rules

Class insignia shall be placed on both sides of the mainsail between arcs of radius 5.45m and 6.90m measured from the head of the sail with the centres of the insignias on the centre line of the sail. The top of the starboard logo shall be on the 5.45m arc and the bottom of the port logo on the 6.90m arc as shown below.

The graphic design file is available on the class noticeboard or by email from:
