

Notice #05/2023

Heavy Boat Weight Reduction

Reviewing the weight of the current CS36 fleet it is identified that some boats are heavier than the Class Rule minimum of 2720kg by more than 30kg.

Under the supervision of the CS36 Class Measurer boats weighing more than 2750kg may reduce the boat weight by removal of non-structural internal items to a minimum of 2740kg.
