

Notice #05/2024

## Revised Bulb Weights

Following the bulb modification, the keel components & final keel were weighed as part of the certification process.

Fin Weight – The fin weights were checked as part of the assembly process with the weights agreeing with the data from the original manufacture.

Bulb Weight – Weighed as bare bulb and bolt weight added.

Total Weight – Final assembled weight including paint and chockfast.

	Fin Weight	Bulb Weight (Including Bolts)
