

CLUBSWAN 43

ABOUT

Being at the cutting edge of contemporary yacht design, the ClubSwan 43 has been conceived as the perfect crossover: a full racer able of competing in the most captivating races worldwide and with the possibility to offer a 'racing-cruising' experience.

With a well-established Swan One Design Circuit and a high participation of ClubSwan Yachts in the established regattas, the yacht has been developed as a One Design package, taking advantage of Nautor's expertise in this segment, which includes a professionally managed Class - she will be able to shine at the exclusive Swan One Design Circuits, such as The Nations League and the Swan One Design Worlds.

ONE DESIGN

DUAL IDENTITY

The ClubSwan 43 is a One Design able to be easily optimized for ORC regattas and events, providing the owners with an exciting range of racing possibilities, with the solution to have a boat that is not only limited to One Design but also have a good ORC rating.

The ClubSwan 43 is not just about racing, and the interior design has been envisioned by studying the needs of Owners considering this model and combines practicality and comfort for both racing and cruising modes.

Lucio Micheletti

The interior design has been envisioned by studying the needs of Owners considering this model and combines practicality and comfort for both racing and cruising modes.

Lucio Micheletti speaking about the project said: "In drawing up the interior design of the ClubSwan 43, my focus was on "simplicity". I tried to reduce and simplify the basic concepts, and I organized the spaces imagining all the activities that are onboard."
