

# 2026 SWAN SERIES

v.1 – 25/11/2025

## THE CONCEPT, THE EVENTS, THE SCORING SYSTEM

### THE CONCEPT

The primary goal of the Swan Series is to track and recognize Swan owners racing around the world, creating a global network of prestigious regattas.

ClubSwan Racing has carefully selected the most iconic events from key racing regions and established specific Swan Series to determine the best-performing boat of the season.

The selected events may vary each year, ensuring that the focus remains on the most prominent and exciting regattas in each region.

Two distinct Swan Series have been created:

- **Swan Regional Series (Med, Nordic, North America, Solent):** Focused on specific regions, this series highlights the top performers in each geographical area.
- **Swan Maxi Series:** Open to yachts larger than 60 feet, this series showcases the best-performing boats in the maxi yacht category.

The winner of the Swan Series will receive a special award in recognition of their achievement.

## THE EVENTS

- TAITTINGER ROYAL SOLENT YACHT REGATTA
- COWES WEEK

**SWAN**  
ASIAN 

---

 SERIES

- ROLEX CHINA SEA RACE
- SWAN ASIAN REGATTA

## THE SCORING SYSTEM

How to Determine the Winner:

**1. Point Scoring:**

The points for determining the winners of the Swan Series will be calculated based on each boat's final position in each event within their respective class/division.

The scoring system is as follows:

- In a fleet of 5 yachts, the boat finishing 1st will receive 5 points, 2nd place will receive 4 points, 3rd place will receive 3 points, 4th place will receive 2 points, and 5th place will receive 1 point.

**2. Overall Scoring:**

If Overall scoring is available, the results will be taken from the Overall scoring rather than individual class/division results.

**3. Eligibility:**

A boat must compete in at least one of the listed events to be eligible for the Series.

**4. Missed Events:**

A boat that does not participate in one or more events will receive 0 points for each missed event.

**5. Bonus Points:**

- A boat that competes in at least three events will receive a BONUS of 3 points.
- A boat that achieves an Overall win (or class/division win if Overall scoring is not available) in an event will receive a BONUS of 5 points.

**6. Attendance Coefficient:**

A coefficient will be applied based on the total number of Swan yachts attending each event (Overall scoring, if available, or per class/division). The coefficients are as follows:

- Less than 5 Swan yachts attending = 0.6
- 6 to 10 Swan yachts attending = 0.7
- 11 to 15 Swan yachts attending = 0.8
- 16 to 20 Swan yachts attending = 0.9
- More than 21 Swan yachts attending = 1.0

**7. Discards:**

There will be no discard applied in the scoring.
