

Notice #01/2026

Training Days at Events in 2026

The ClubSwan 50 limited training days rule prior to sanctioned events, in force since 2023, apply to the ClubSwan 50 Nations League as per following criteria:

1. Each boat is allowed to train for up to 2 days prior to the first scheduled race day of an event.
2. Training is prohibited during the 7 days leading up to the 2 permitted training days before any event.
3. Teams may perform boat preparation (e.g., rig checks, instrument calibration) in advance of the permitted training days. A maximum of 6 persons are allowed on board during any boat preparation.
4. In addition to the 2 training days before each event, teams are permitted up to 2 additional training days during the year. Please apply to the Class at least 14 days in advance to request these extra days.
5. New Teams joining the class in 2026 will have 3 additional training days during the year. (5 in total including the 2 days permitted for all teams above). Please apply to the Class at least 14 days in advance to request these extra days.
6. In special circumstances, the CS50 Class Authority may grant additional training days.
7. As the ClubSwan 50 Warm-Up is not part of the CS50 Nations League Circuit, there are no training restrictions before this event.
