

CLUBSWAN 28

Notice #04/2026

CLASS RULES AMENDMENT

As agreed by the ClubSwan 28 Technical Committee, the following Class Rules amendments have been done:

C.7.2 FITTINGS

(b) The following is permitted without the approval of the Class Authority:

- (1) Placement of line bags and winch handle holders in the cockpit.
- (2) Nonslip material on deck or inside to promote safe movement (seadeck / antiskid paint / 3M adhesive).
- (3) Installation of a rounded pad on forward lifeline
- (4) Installation of a bowsprit gutter – allowed materials are vinyl ester and dacron/mylard
- (5) Easier shrouds adjustment system – this does not allow anyhow to adjust shrouds during races
- (6) **One Additional cleat for the tack line is permitted to be installed on the left from the tackline through deck**
